Digital bluaU add-on range

Digitalization in Sanitas

Since the launch in **2016 of blua**, Sanitas has been building a **comprehensive digital health ecosystem**, working in every aspect: new coverage, home services, new functions, widening our digital medical chart...

Today, we are glad to offer our clients a **strong digital ecosystem**:

Vide consultation with over 3.000 specialists

24 hour emergencies

All the specialities included

Exclusive digital services

Our own technology

Wide range of health programs

Digital
ecosystem

Digital add-on range

We have a wide range of digital add-ons that adapt to the needs of every customer.

All of them include the benefits of **bluaU**

bluaU

The digital bluaU add-on includes all of the digital benefits and is an ideal option for customers who want to go a step further in taking care of their health.

bluaU **Mente Sana**

The bluaU **Mente Sana** digital add-on includes benefits designed to improve health through healthy management of emotions. With this add-on we help our customers to know, understand and take care of their mental health.

bluaU **Premium**

The bluaU **Premium** digital add-on includes all of the benefits of the bluaU add-on and also includes additional home services and reimbursements, making it the most comprehensive digital add-on in the digital range.

bluaU **Smart**

The bluaU **Smart** digital add-on that adapts to our customers' needs and evolves with them. With this add-on, as well as having the most innovative digital healthcare services, they can be tailored to their needs, choosing the benefits they prefer.

blauU Digital Add-on

The **blauU digital add-on** incorporates every digital advantage and is the ideal option for any customers who are interested in going further in caring for their health.
