Prices valid until 31st December 2026.

Incl.: services included in the insurance cover with no payment of the price.

(I) In all orthodontics treatments, the price indicated refers to patient and work completed. This price does not include subsequent check-ups.

According to the product modality chosen. Without co-payment modality, more than 50 services at no cost.

The insured has two (2) Periodontal Health Studies (assessment and series of X-rays) included with the policy for each year it is valid. If the insured requires additional treatment exceeding this limit, they must pay the amount that appears in the 'Price after exceeding the limit' column under the heading 'Limits of the treatments included' to the Dental Clinic that provides the treatment.

Modality with co-payment, a co-payment of €3 will be paid per appointment day regardless of the number of services provided during the appointment and without affecting the amounts that could be applicable under the concept of prices according to the services performed during the consultation.

\*In extractions:

Impacted tooth is a tooth that once fully developed does not fully erupt into the mouth, remaining totally or partially inside the bone, covered by gum or not.

Non-impacted tooth is a tooth that once fully developed fully erupts in the mouth in a normal or abnormal position.
